

CANCERHUB

**Cancer is hard.
Getting support
shouldn't be.**

Cancer Hub is a free service, supporting young people and families impacted by cancer.

Cancer Hub is delivered by leading cancer support organisations Canteen, Camp Quality and Redkite. Together, we connect young people and families with the right support, at the right time, including:

Navigation

Connecting you with the support services you need during and after treatment.

Emotional Wellbeing

Specialist counselling and other support to help children, young people and parents cope with cancer's many challenges.

Connection & Respite

Opportunities for children, young people and parents to connect with others in similar situations and have fun away from cancer too.

Get in touch and we will help you get the support you need.
